I have been Stunt performing for the past 5 years. I started my career with the reputable show Waterworld, playing Helen. Traveling from Singapore to China and Japan performing this role.

I have been an elite athlete training karate since the age of 6. The dedication, determination, and hardworking nature of being an elite athlete has pushed me to achieve my goals, including placing first in the Oceania Championships in Noumea and has helped to make me the person I am today. This led me to achieve a huge dream of mine, becoming a stunt performer.

While I am new to the film industry, I have acquired enhanced understanding of body awareness and high communication skills needed when working in a team on set. My knowledge of live shows has taught me the importance of professionalism for the job, especially for safety on set.

Please see my Stunt reel attached above.
