About

Hey, my name is Harrison Richards, I'm 21 years old and I'm based in Brisbane Queensland. I've enjoyed acting all my life and would love to make a career out of it. I've done plenty of workshops and courses as well as many auditions and extras work. I'm always trying to better myself whether its acting or personal life. I love everything about this industry and have acquired many skills within it such as Acting, Stunts, Modelling, Photography and Filmography. I train regularly with weights, BJJ and stunts, and I love to read about topics like acting or real estate.
